

Franklin County Property Tax Assistance Program Application Instructions

What is the Property Tax Assistance Program? (PTAP)

The Property Tax Assistance Program is a group that assists qualifying seniors with onetime financial assistance of partial or full payment of current homeowner taxes. PTAP does not pay any taxes in arrears. PTAP also provides connections to resources to assist in helping clients pay future taxes. The funds are provided through a limited donation source, not tax dollars, not public money or use of any senior levy funding.

Who can apply for Property Tax Assistance Program?

Applicants must be aged 60 years or older. The property must be owned and occupied by the applicant as their primary residence. The applicant must only own one property. Applicant must meet income eligibility which is income below 150 percent of the federal poverty level for the relevant tax year. For 2021 income eligibility is at or below \$19,140 for a single person and \$39,300 for a family of four.

How do I apply?

You may contact the Franklin County Auditor's Office at 614-525-HOME or download an application online at www.franklincountyauditor.com, under "Real Estate." You may submit a signed application or submit an application over the phone or by email to PTAP@franklincountyohio.gov. You can apply between November 20 and December 20 for the 1st half tax collection and between April 20 and May 20 for the 2nd half tax collection. Applications received after 5 p.m. on December 20 for the first half or May 20 for the second half will not be considered. After the initial application, applicants must complete an interview either in-person or by phone by 5:00pm on July 30 for the 1st half tax collection and December 30 for the 2nd half tax collection.

What is the process after I apply?

Once you apply, the Auditor's office will forward your application to the appropriate Property Tax Assistance Program committee member. They will contact you to verify and supplement your application. You should gather all monthly bills, benefit program information, and any other documentation of income and expenses for all household members in preparation for the interview. If you did not sign your application when you submitted it to the Auditor's office, a board member will assist in completing and signing the application either in hard copy or electronically. Once the needed information has been provided and the application signed, it will be forwarded to the PTAP committee for review. All applicants will be notified of PTAP committee decisions by postal mail.

How is the request decided?

The PTAP Committee is made up of professionals across community agencies, including the Franklin County Office on Aging, Central Ohio Area Agency on Aging, Franklin County Auditor's Office and Franklin County Treasurer's Office. The decision to approve or deny assistance is based on available donated funds, applicant meeting all requirements, and applicant ability to pay taxes in the future. All PTAP Committee decisions are final.

All decisions by the PTAP Committee are final. There is no appeals process. You are welcome to re-apply for PTAP assistance in the future.
